On the hob.

1. Put the custard powder and the sugar into a saucepan, add cold milk then mix into a smooth paste.
2. Carefully pour hot milk (nearly boiling) onto the custard mix stirring well.
3. Return to the saucepan and bring to the boil over a gentle heat, stirring continuously until thickened.

In the microwave:*

1. Follow steps 1 and 2 above.
2. Add the remaining milk and cook on full power for 6 minutes, stirring half way through cooking period.
3. Leave to stand for 1 minute before serving.

* i.e. This is not suitable for large quantities of mix.
